## Specifications for Adipic Acid

Parameter	Value
Molecular Formula	C <sub>6</sub> H <sub>10</sub> O <sub>4</sub>
Mol Wt	146.14
Description	White crystalline powder
Assay	99% min
Melting Point in deg cel	149-154
Sulphated ash, %	0.05 min

## Uses:

Industry	Application
Textile	in mfr of nylon
Air Conditioning	In mfr of urethane foams
Food	as acidulant in baking powders
Lubricants	in lubricating oil additives
